

Sixth Grade Band Calendar 2023-2024

(Sent Home 1 August 2023)

A copy of this SPMS Band Calendar will be sent home with all band students and posted on: spmspantherband.weebly.com Please write these dates on your calendars or put them in your phone as soon as possible. You can digitally link to my calendar from the website.

Students will receive a formative (40%) grade for attendance at an after-school rehearsal. Students will receive a Summative (60%) grade for attendance at a band performance or a 0 for an unexcused absence. Daily grades in band class will be averaged into weekly rehearsal grades in IC. Weekly practice records will be turned in online. Students will be expected to record audio assignments regularly using www.essentialelementsinteractive.com A link to this can be found in Canvas. Digital assignments will be hosted in Canvas.

Make up work for concerts not attended will be a recording of a complete piece from said concert submitted to Mr. Ragan. Make up work for rehearsals not completed will be two additional lines from the award sheet. This way credit can be assigned for work completed even in cases of calendar conflict. I will do everything I can to give the highest grade possible.

Excused absences must be submitted in writing, with parent/guardian signature, to Mr. Ragan one week before the event. Digital or physical copies are fine.

Musically Yours,
Jeremy B. Ragan
Director of Bands, SPMS
